

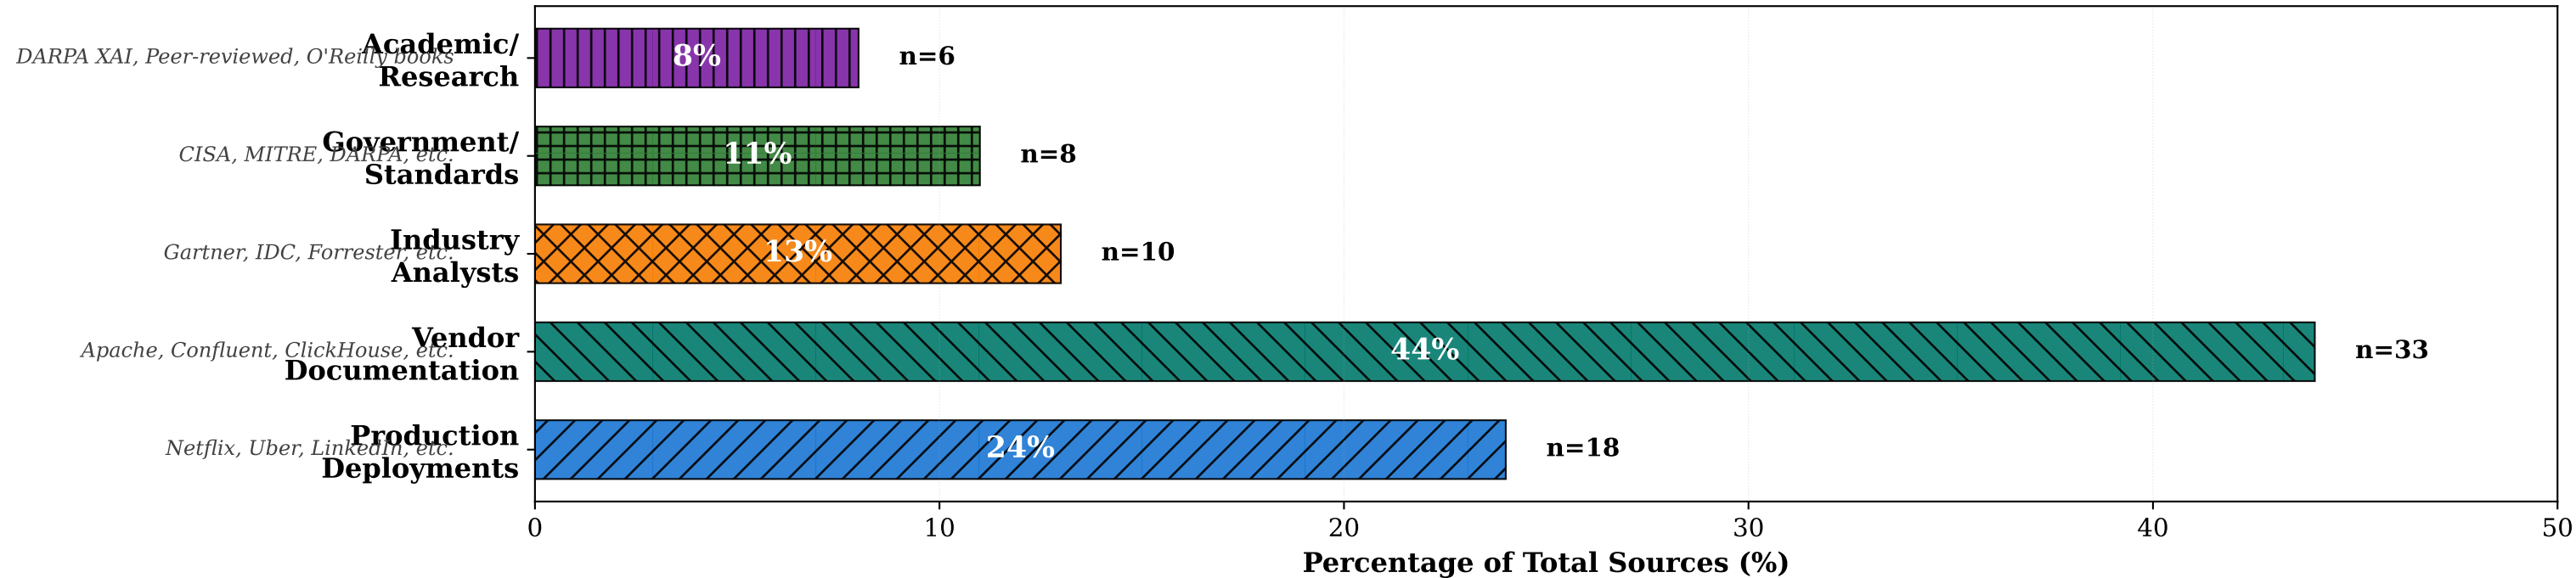

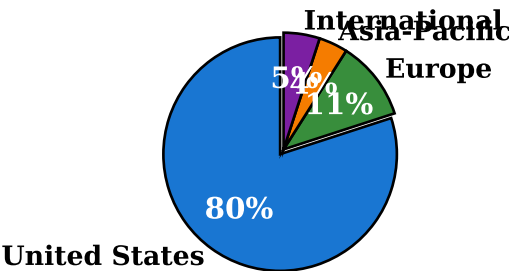

Figure 3: Source Type Taxonomy — 75+ Sources with Geographic & Organizational Diversity

Source Type Distribution (n=75+ sources)

Geographic Distribution

Organizational Diversity

Tech Giants: Netflix, Uber, LinkedIn, Microsoft, Google, AWS, Cloudflare
Enterprises: Shell, SK Telecom, Nordstrom, Disney+
Government: CISA, MITRE, DARPA, NSA, SANS
Standards: Apache SF, CSA, OCA, OASIS
Startups: Ververica, DataRobot, Anyscale, Huntress

Quality Metrics Summary:

- Total Sources: 75+ sources documented (100% extraction from 283 footnotes)
- Evidence Level: aggregate Level-A self-grade WITHDRAWN (2026-06-14 audit) – per-source levels provisional, no aggregate % claimed pending re-verification (see FIGURES-AND-TABLES.md)
 - Evidence levels (A/B/C/D) are classified per-source; the prior aggregate Level-A distribution (exceeds-target framing) is withdrawn
 - Geographic Diversity: 3 regions (US 80%, Europe 11%, Asia-Pacific 4%)
- Organizational Diversity: 5 types (Tech giants, Enterprises, Government, Standards bodies, Startups)
 - URL Validation: 73% overall, 100% hypothesis-critical sources validated ✓
